- make certain all of Ohio's job seekers and employers have access to free public employment services.
- help Ohioans with low incomes obtain nutritious food by working with, and providing oversight of 88 county departments of job and family services food stamp programs.
- ensure Ohio's children receive the financial support non-custodial parents are legally obligated to provide.
- help low-income Ohio residents over the age of 60 who have no other prescription drug insurance coverage improve their access to less expensive medications.
