Les Best
SCHOLARSHIP
2006

Les Best Scholarship:

Far better odds than playing the slots!

With most contests, drawings or lotteries, there is such a *slight* chance of winning. But with the Les Best Scholarship, the odds are really good that you or your family member could be awarded a scholarship.

*How does a one-in-five chance sound?**

* Based on an average of the past five years applications received.

If you are a dues-paying member, there are four scholarship categories you or a family member could qualify for if extra money is needed for schooling or vocational training. The deadline is drawing close for application materials to be received at OCSEA.

The deadline is April 30.

**See your Union Bulletin Board for
an application request.**
