JULY 27, 2007

You've seen the
AFSCME logo

It's recently
been given
a **NEW** look...

Presenting...

AFSCME

We Make America Happen

The updated logo is part of AFSCME's upcoming efforts that will showcase in the media public workers as they make a difference in our neighborhoods, communities and states. Watch in the coming year for television and print ads that feature real AFSCME members keeping our communities healthy and our country safe.
