Thanks for creating the opportunity for a raise!

Hundreds of volunteers – including many state employees – are working to secure a brighter future for those living below the poverty line.

Thanks to you enough signatures were collected to get on the ballot a raise in the minimum wage from \$5.15 to \$6.85.

But now comes the hard part.

Now we have to educate ourselves and other union members about the effects of low wages on families, on communities and on our state.

Then...

we've got to get to the polls and VOTE to give 719,000 Ohioans a pay raise on Nov. 7.
