## OCSEA members in counties declared state and federal disaster areas\* can tap two sources for flood relief...

# 1

Members can apply to the **Union Plus Credit Card Disaster Relief Fund** to receive grants if they are current AFSCME/Union Plus credit card members. To apply, members should call **1-877-761-5028**.

# 2

OCSEA, in conjunction with AFSCME International, is offering direct relief to victims of flooding that occurred in Northern Ohio over the summer.

Money is now available directly from OCSEA to members who meet certain eligibility criteria.

Flood victims should apply to the **AFSCME/ OCSEA Flood Relief Effort** by filling out an application. Applications are available by contacting an OCSEA staff representative, by calling OCSEA Central Office at **1-800-969-4702** or by downloading the application at **www.ocsea.org**.

**Deadline for returning applications is Oct. 26, 2007.**

*Applications will be reviewed by a Flood Victim Relief Committee. The amount awarded will be determined by the severity of the need and number of requests received. Assistance may be limited. Documentation must be given to support the relief requested.*

*Application forms have also been sent to each chapter president and steward in those flood-affected counties.*
