SEPTEMBER 20, 2007

*Our veterans  
won't be  
forgotten  
here in  
Ohio.*

The Strickland Administration has signed an Executive Order regarding the creation of an **Ohio Department of Veterans' Affairs**.

OCSEA is soliciting input from our members who are veterans about how the new department can best serve both the interests of vets and our members who provide assistance to vets.

For additional details and to give your input, go to [www.ocsea.org/veterans](http://www.ocsea.org/veterans).
