Any good work ideas to share?

Just put'm here

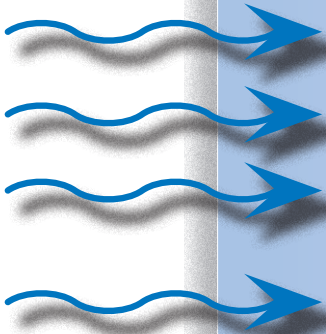

Go to:

<http://efficiency.ohio.gov>

to share ways in which
you believe work
processes can be improved
(anonymously, if you wish).

It makes work more efficient and
effective so that union members...

save money and save jobs.

take back work that's been contracted out.

**receive recognition for playing a proactive,
constructive role in state government.**

**get involved with non-traditional union
activities.**

*Also...consider volunteering for a process improvement team or to be a
facilitator, mentor, coach or quality advocate for your office and chapter.*
