An important alert from your union Joint Health Care Committee members

Was your dependents' health care coverage terminated recently?

It's not too late to re-enlist!

Here are a few examples of dependent eligibility verification documents:

- 2008 federal income tax return that lists dependents;
- Marriage certificate and proof of joint ownership, lease, or billing;
- Birth certificate;
- Adoption papers;
- College registration documentation.

For a full list of eligibility documentation, visit www.ocsea.org/healthcare
