# New UBT Dental Plan

**Delta Dental becomes new carrier July 1st, giving you more choice of providers and reducing your out-of-pocket expenses.**

*Plan payment is based on the participation of the dentist you choose:*

- **PPO dentists** provide the highest savings along with balance billing protection.
- **Premier dentists** offer a more moderate savings along with balance billing protection.
- **Non Delta-dentist** - in this plan you may choose any licensed dentist-but there is no balance billing protection, and the non-participating dentist can charge patients for the difference between Delta's plan allowances and the dentist's fee for services.

*If you are currently enrolled in a dental plan, you & your covered dependents will automatically be enrolled in the UBT Dental Plan.*
