May is... I ♥ Technology Month

In May we will be sending out surveys and forming focus groups to discuss how our web site can be of more value to our members.

Please help us by taking the time to answer the surveys, and give us your opinion about the web site and how it should work.

We're Listening....

Change is coming to the OCSEA website, and we need **YOUR** suggestions and comments! Stay tuned during the month of May for Email alerts, online surveys or your chance to participate in a focus group.
