FREE MONEY! . . .

...to further you or your family members' education.

It's time to apply for the

Les Best SCHOLARSHIP 2004

If you are an OCSEA member, you can benefit from one of several scholarships from a fund established in memory of former OCSEA President Les Best.

.....▶ Apply TODAY.

The deadline for receiving applications is April 2, 2004 (which may seem like a long way off, but there is required information – transcripts, references, essays – that take time and need early attention!)

If you run out of Les Best Scholarship request forms, contact your assembly, district or chapter president.

Or you can click on "Scholarships" on the OCSEA home page to request an application.
