Who ARE these folks?

They are all WINNERS!

They're winners...

- 1) because they registered to vote (or updated their voter information).
- 2) and because they registered through OCSEA, their names were drawn in the

Super Tuesday drawings!

Winners receive a free "I'm all about political clout" t-shirt AND their names go into a second drawing for a digital camera.

Contact your OCSEA staff representative or chapter leaders to register to vote so you can qualify for the Super Tuesday drawings. Call OCSEA Customer Service at 888-OCSEA-11 for more information.

Patsy Peterson, an employee at the Franklin County JFS South Community Opportunity Center, was OCSEA's first Super Tuesday winner.
