In order to Take Back Ohio, we need to encourage every union member to vote—making sure they are registered and have enough information to make an informed decision.

You Can Make A Difference!

OCSEA and the labor movement is making a difference, but we need your help. Mark your calendars for three OCSEA-sponsored walks planned for:

- Thursday, Aug. 26
- Tuesday, Aug. 31
- Thursday, Sept. 2

We will host a picnic supper from **5:15 pm—5:45 pm**, a quick 10 minute “how to” and then out to the walks.

We are asking all volunteers to **commit to 2 hours** of walking and talking within the neighborhood.

TO REGISTER TO WALK:

Please call the **OCSEA Labor Walk Hotline at 865-4742**. You will be asked to commit to a date so we can make sure we have enough materials and food. This is a walk to reach out to union brothers and sisters to make sure their issues are addressed.
