Trying to register voters?

**Want to know more about
Workforce Development?**

**Want to understand how Benefits
Trust works and what they offer?**

If you answer yes to any or all of the above, then you and your chapter need to have a "Union Fair" at your worksite.

A union fair is a chapter event offering informational tables on Voter Registration, Workforce Development, and Benefits Trust.

To set up a Union Fair for your chapter, talk to your chapter leadership and staff representative. For assistance from OCSEA in coordinating informational tables, contact 1-800-969-4702. Ask for Marlene Bennett, ext. 2613 or Sandi Kaufman, ext. 2656.
