

LAST YEAR WE HAD FUN. LET'S DO IT AGAIN THIS YEAR! OCTOBER CLOTHING DRIVES

To be a part of the fun, all your chapter has to do is make contact with a recipient organization within your community and then collect the clothing in October. Weigh your total amount of clothing donations, take pictures and send the number of pounds and the pictures to OCSEA, Union Power Clothing Drive, 390 Worthington Rd., #A, Westerville OH 43082-8331. We will be giving prizes to the three chapters with the highest total weights.

If you want labels for your clothing bags indicating the donation is from the OCSEA union chapter, call Sandi Kaufman at 1-800-969-4702 ext. 2656 and let her know how many you 'd like. Remember you can make your own labels if you want to.

The question is—

Can you top Chapter 1810 Cleveland BWC collection of 1,878 pounds last year?
