union news day
or night...

On the average, OCSEA sends out “all member” email news once a week...sometimes more frequently if there's time-sensitive information that needs to get to members.

If you **have** email at home and you haven't been receiving the most up-to-date union news, now is a great time to submit your new email information to OCSEA.

There are three easy ways to submit your email address:

- 1** Call Customer Service at **1-888-OCSEA-11** *OR*
- 2** Email **wmemsvc@ocsea.org** and **give your name, last four digits of your Social Security number and your email address** *OR*
- 3** Log on to **www.ocsea.org** and click on **MyOCSEA** to register your email address.

OCSEA will not share your email information with any other source.
