What is YOUR chapter doing for

UNION POWER

Family Fun Month in **JULY?**

Union Power
marches on!

Pool parties, picnics,
corn roasts, inviting
your local politicians
to speak at an ice
cream social...

...all are great ways to
bring your chapter's
families together to
have fun and reinforce
the many strides the
union has made to
make families' lives
better over the years.

OCSEA has already heard of some
pretty neat family activities being
planned in several chapters across
the state.

We like to know what the Union
Power chapters are doing out
there... so let Sandi Kaufman at
OCSEA (phone 1-800-969-4702
ext.2656) know what your Union
Power Family Fun Month event is.

Also... ask about coloring books and
other items available to help
entertain your children at your Family
Fun event.

And don't forget...

Take pictures of your
event and send them
to OCSEA! We like to
share your photos
with others across the
state in union
publications!
