BETTER DO IT NOW!

The deadline is approaching
for applications for the

2004

Les Best
SCHOLARSHIP

DEADLINE: April 2, 2004

NOTE: A request for an application (which will be mailed to you) is not considered an application for any of the scholarships. To be considered as a completed application, all required application materials must be received by the deadline.

This is a great members-only education benefit if there's financial need for you, a spouse or a child.

Complete and fax or mail the request form that should be on your union bulletin board.

There isn't any? Contact your assembly, district or chapter president for one. Or call the Scholarship Hotline at 800-266-5615, ext. 4740.

Or you can click on "Scholarships" on the OCSEA website to request an application.
