*“I pay my
union dues...*

*...I thought a portion of my
dues helped support
labor-friendly
candidates and
legislation.”*

Nope. Not so.

**The law says that your dues can NOT
support political candidates or
legislation that can favor
union interests.**

But there **IS** a very easy, effective way to help reach
legislators, potential labor-friendly candidates and
to affect legislation that can have a very real
impact your job.

It's called PEOPLE.

PEOPLE is AFSCME's Political Action Committee.

For only \$1. per week paid as a voluntary deduction from your
paycheck, you are making it possible to elect pro-worker candidates
and shape legislation that will promote your job security. It takes
only a couple minutes to sign up...

**Call Sharon Reese at OCSEA (1-800-969-4702)
or contact your staff rep for a form to complete.**

*THOSE CONTRIBUTING \$2 PER PAY PERIOD
WILL RECEIVE A FREE WHITE VIP
