WHY on EARTH would
the legislature cut a
program that
saved the
state
\$350 million
in the past?

If the Office of Quality has its funding cut..

Many agencies may stop participating
in the process altogether

Agencies that do continue with quality processes
will likely begin to stray from the "joint" concept
– which can ultimately eliminate our voice.

The door will be opened to more privatization if
quality falls by the wayside.

For more
information,
contact Sandy
Trout at OCSEA –
1-800-969-4701
ext. 2614 or
865-2614.

There is little time left!

What can YOU do?

- 1** Go to the OCSEA Quality Website
www.ocsea.org/quality
- 2** Click on "Full Story"
- 3** Click on the sample letter and print it,
sign it and...
- 4** Click on "Senate Finance Committee."
Choose a senator to send your letter to.
