Learn valuable information you should know before voting on your contract by attending the Roadshow nearest you.

ROADSHOW

What is it?

The Roadshow is a presentation made by OCSEA staff at several locations throughout the state after negotiations. They will be talking to members about the terms of the proposed contract; what it's about and answering questions members might have.

Dates/times and cities have been set, with exact locations for Roadshow presentations yet to be determined.

Mark your calendar with the date/time of the Roadshow city closest to you. OCSEA will let members know the exact locations once they have been determined.
