# OHIO'S BEST

# Rx by November 28!

Ohio's Best Rx is a prescription drug discount program designed by LABOR for WORKING FAMILIES.

## What is Ohio's Best Rx?

*Ohio's Best Rx is a labor initiative that creates, for the first time, a prescription drug program that will provide deep discounts from 25 to 40 percent on prescription drugs for as many as 2 million Ohioans.*

## Who will benefit?

*Ohio residents 60 and over regardless of income, and all other Ohio residents who currently do not have prescription drug coverage and whose income is no greater than 250 percent of the federal poverty level are eligible.*

## How can I show my support?

*Sign a petition! OCSEA Union Power committees, District Grassroots Committee Chairs, staff and leaders will be passing out petitions to sign to show legislators our support for Ohio's Best Rx.*

Just another way to...

## OHIO'S BEST Rx... Labor looking out for families

**Petition to Support Ohio's Best Rx**  
DISCOUNT PRESCRIPTION PLAN

I, the undersigned, support House Bill 311 and Senate Bill 138 that would implement Ohio's Best Rx, a state-run prescription drug program. Ohio's Best Rx would provide discounts of 25 to 40 percent on prescribed medications for nearly two million Ohio residents who are without a prescription drug benefit. This labor initiative will stand as a national model for states and the federal government to reign in the escalating cost of prescription drugs.
