Celebrating those who *give*....

HORIZON
Award
for outstanding community service

Each year OCSEA recognizes members and subordinate bodies who go above and beyond with acts of service, volunteerism, contributions and heroism. The **OCSEA Horizon Award** is presented to nominees that have positively affected individuals or the community as a whole. This can be on a local, state and national level.

The winner of the 2011 Horizon Award will be honored at an OCSEA Board of Director's meeting and will also receive a contribution to the charity of their choice in the amount of $500.

Know of a chapter or member deserving of this award? Submit a completed nomination form by **April 1, 2011**. Download the form at **ocsea.org/horizon.**
