November.

It's when negotiations begin.

Seems like a long way off.

But it's never too early to think about making a difference through Union Power.

If you've not signed up as a Union Power Activist before, consider making the commitment to do so now.

Contact your Union Power Committee Chairman or your Chapter President to sign up.

This could likely be the toughest bargaining this union has been through – ever. It's going to take all of us, acting and speaking *collectively*, to make a difference for our future!

For more information on becoming a Union Power activist or to sign up, contact Sandi Kaufman at 1-800-266-5615 ext. 2656 or log on to OCSEA's website (www.ocsea.org).
