**“Have you heard?
The Union Education Trust has increased your benefits!”**

UET now offers a total of \$5,250 per year of financial educational assistance!

UET funds available to eligible bargaining unit members have **increased, providing financial resources to access life-long learning opportunities.**

Effective immediately, the tuition allowance for the **Career Improvement Program** will increase to **\$3,500** per fiscal year.

The UET will continue to offer **\$1,000** for Professional Enhancement Training and **\$750** for Computer Applications Training.

Q. Is this program available to laid-off employees?

A. Yes...as long as they maintain their recall/reemployment rights or use the benefits within one calendar year from their date of separation, whichever occurs first.
