# Is your child heading off for higher education?

## Need textbooks?

Whether it's for chemistry, dance, psychology or any other course of study, choose your student's books from a **unionized bookstore:**

[www.powells.com](http://www.powells.com)

Powell's has a vast inventory of used and new textbooks to order online. Once your student's class schedules and textbook needs are determined, check in with Powell's. They can ship direct to your door before classes start!

*Order today to get a head start on the school year!*
