What's wrong with this picture of OCSEA President Eddie Parks?

He isn't wearing glasses!

Actually, President Parks DOES wear glasses, and because he has vision benefits through **Union Benefits Trust** (as do all OCSEA members), his vision care is provided at a reasonable cost.

A routine eye exam can cost **as little as \$5!**

OTHER BENEFITS THE TRUST PROVIDES:

- No cost for routine in-network dental exams
- \$7,000 in life insurance benefits for children for less than \$1 a month.

These benefits are not covered by union dues. They have been negotiated by OCSEA for its members.

Support your bargaining team as it continues to negotiate for quality benefits and a good contract!
