# Flexible Spending Account

**Enroll today through  
[www.benefitstrust.org](http://www.benefitstrust.org)**

## Why enroll?

It isn't just for medical bills. The Health Care Spending Account is a negotiated benefit that helps members pay for health-related expenses (including vision and dental) with tax-free dollars. You can use the HCSA to reimburse your health-related expenses, and those of your dependents. You must use all the money in your accounts during the year in which you set money aside.

***Did you know that your flexible spending account can be used for vision and dental needs as well as health care? Put up to \$3,000 in an FSA to pay for eligible expenses not paid for by your health care plan, vision plan, or dental plan on a pre-tax basis.***

**Open enrollment is  
Oct. 5-30**

***Some things you can use your flexible spending account for include:***

- ***Vision co-pays***
- ***Dental treatment (non-cosmetic)***
- ***Eyeglasses***
- ***Prescription sunglasses***
- ***Dental deductibles***
- ***Orthodontia***

***...and more!***

***Have questions? Call Fringe Benefits Management Company toll-free: 1-800-342-8017, or contact the plan sponsor (the State of Ohio Benefits Administration) at 1-800-409-1205.***
