## What is AFSCME PEOPLE?

AFSCME PEOPLE is the union's political action fund and allows the union to take an active role in electing officials who advocate for public employees and the freedom to bargain for wages, health care and other terms and conditions of employment. **Our political action fund is made up of 100% voluntary contributions.**

## Why do we need PEOPLE?

AFSCME PEOPLE helps us elect leaders who value public service workers and the services we deliver, and to hold them accountable. With PEOPLE, we have a seat at the table so we can advocate for the services we provide, and advance the concerns of working families.

## Here's how to give to PEOPLE

Payroll deduction, or PEOPLE check-off, is the easiest, most reliable and most important source of PEOPLE funds. You just sign a card authorizing your employer to deduct a specific amount of money as your **voluntary** PEOPLE contribution. Then, every pay, the employer transmits your contribution to AFSCME PEOPLE. It's that easy!
