

**THANK YOU,
YOUR UNION**

STATE EMPLOYEES NEVER QUIT

**...working to make our
communities great!**

You make Ohio a great place to live and work.

You make sure our **WATER IS CLEAN**, our **FOOD IS SAFE** to eat and our **COMMUNITIES ARE PROTECTED**. You **CARE** for our **MOST VULNERABLE** citizens: our children, the elderly, the disabled, the unemployed, injured workers and veterans. We appreciate all the hard work that you do. You are such a valuable part of what makes Ohio great.

That's why your hard work should be rewarded with a fair union contract.

Your Union Bargaining Team is fighting hard for a fair contract. Show your support, and that you want a fair contract too, by **wearing Green to work every Tuesday!**

**Go sign the Solidarity Pledge and sign up for bargaining updates at ocsea.org/solidarity.
(Must be an OCSEA active member.)**
