

LES BEST

Who was Les Best?

Les Best was an Ohio Civil Service Employees Association state officer and former math teacher at the Ohio Veterans Children's Home.

Believing in OCSEA's dedication to improving the quality of life for its members and their children, Les felt an obligation to promote higher education and training.

In 1989, he proposed that OCSEA begin a scholarship for the children of active members and retirees.

Les Best died that same year, having served OCSEA for 10 years as an officer and 22 years as a member of its Board of Directors. Les was loved by many and his memory and dedication lives on through the Les Best Scholarship.

About the program...

Dear Les Best Applicant:

Thank you for your interest in the 2017 Les Best Scholarship Fund.

This brochure contains everything you need to apply for this scholarship. To be eligible for scholarship awards, qualified applicants must submit all required application materials. Use the checklist on this page to make sure you have all the requested requirements. You are strongly encouraged to write the required essay early to avoid getting “bogged down” near the deadline. The selection committee members report that they enjoy reading essays that include personal experiences in addition to ones that draw from historical data or current trends.

The Les Best Scholarship deadline is approaching. All required application materials must be received **no later than April 30, 2017**.

Should you have questions or would need to discuss special circumstances, call OCSEA at 800-969-4702 or locally, 614-865-4733 and refer to the Les Best Scholarship.

We wish you the best as you seek to further your education.

3. Submit an essay

Type a 500-1,000 word essay on a white 8 1/2” x 11” paper on the following: **“The right to vote is a basic democratic right in this country. But some politicians have made it more difficult for some people to vote. What are some of the ways Ohio politicians have suppressed the vote in this state? Why are voter suppression efforts a danger to democracy? What are some ways to ensure that everyone’s vote counts?”**

The scholarship essays are a **major** part of the selection process. We encourage you to draw from personal experiences, using examples demonstrating how this issue would affect working families like your own. Students should talk to their parent OCSEA member to shape ideas and to share stories about the dangers of voter suppression.

4. Submit the Academic/Professional Reference form in this packet

Ask your academic advisor, teacher/ professor, or colleague to complete the Academic/ Professional Reference form in this packet. They may either return it to you to send in with the rest of your application materials, or they may send it directly to OCSEA.

All students applying for this scholarship must obtain either an official high school transcript, if you are graduating this Spring, or a college transcript from the college you are currently attending.

Transcripts should be sent to OCSEA Les Best Scholarship Fund. (Please allow your college records office at least two weeks to process your request.)

6. Submit additional academic achievement records

(graduating high school seniors only. Not applicable for students enrolling in vocational, trade or technical schools.)
